SUBSTITUTE DECLARATION UNDER 37 CFR § 1.132

I, Wayne Zachary, hereby declare that:

(1) That I reside at 1255 Tressler Drive, For Washington, PA 19034.

(2) That I am a co-inventor of Application Serial No. 09/823,103, filed on March 30, 2001.

(3) That I am listed as a co-author of CHI Systems Technical Report 001004.9915 entitled "Developing a Multi-Tasking Cognitive Agent Using the Cognet/iGen Integrative Architecture," which was published on October 4, 2000, and the list of authors is not intended to be a list of inventors.

(4) That I am the sole creator of certain subject matter disclosed in the CHI System's Technical Report 001004.9915 that has been claimed in the current patent application. I mean by this that certain subject matter is contained in the claims but does not constitute any entire claim.

(5) That I am listed as a co-author of CHI Systems' Technical Report 000709.00001-05 entitled "Developing Computational Models of Metacognition in Support of Manning reduction Technology," which was published on July 9, 2000.

(6) That the individuals listed as having prepared CHI Systems' Technical Report 000709.00001-05 are not listed as inventors but merely as preparers of the Report and the 000709.00001-05 Technical Report includes portions that originated from the inventors.

(7) That the previously submitted declaration was made without any deceptive intent. The current declaration further clarifies the scope of the subject matter in the previously made declaration.

(8) I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Wayne Zachary/Ph.D

Date: July 24, 2006
